Xfinity WiFi App Privacy Policy

January 24, 2013

1. About the Xfinity WiFi App Privacy Policy.

In this Xfinity WiFi App Privacy Policy ("**Privacy Policy**") the phrase "**Comcast**" or "**we**" refers to Comcast Cable Communications Management, LLC and its respective subsidiaries and affiliates that own or operate the WiFi App on its behalf. The term "**you**" refers to you as a user of the WiFi App.

This Privacy Policy describes how we may collect your information, how we may use your information or share it with others, and how you may access and control your information in connection with your use of the mobile apps provided by Comcast that link to this Privacy Policy from their download page on the applicable platform's application store (for example, the iTunes Store), or from an "About" or similar section within the app (collectively, the "**WiFi App**").

Please take a moment to read this Privacy Policy carefully before using the WiFi App. By using the WiFi App, you acknowledge that you understand and agree to this Privacy Policy. In addition, please review the Comcast Software License Agreement **,** which governs your use of the WiFi App.

2. INFORMATION WE COLLECT & HOW WE USE IT.

When you use the WiFi App to search for a wireless hotspot near you, either by manually entering an address or allowing the WiFi App to use your current location Comcast collects information relating to that search ("**Location Data**") and uses that information to deliver you a list of wireless hotspots near you.

Comcast does not collect or use any personally-identifiable information when you use the WiFi App.

3. YOUR CHOICE AND ACCESS.

You may revoke the WiFi App's permission to use your current location at any time, using the location services settings on your device.

4. SECURITY OF YOUR INFORMATION.

We take information security seriously, and we use reasonable security measures to help protect against the loss, misuse or alteration of Location Data. Please note, however, that we cannot ensure the security of any information you transmit to us or that we store. You use the WiFi App and

provide us with your information at your own risk.

5. CHILDREN.

Because protecting the privacy of young children is especially important, the WiFi App is not directed to children under 13. We do not knowingly collect, use or disclose personally identifiable information from anyone under 13 years of age. If you are under 13 years of age, please do not use or access the WiFi App at any time in any manner. If we become aware that we have unknowingly collected personally identifiable information from a child under the age of 13, we will make reasonable efforts to delete such information from our records.

6. CHANGES TO THIS PRIVACY POLICY.

We may change, add or delete information on the WiFi App and/or this Privacy Policy, at any time without prior notice to you. We will notify you of any material changes by posting the updated Privacy Policy in the WiFi App or by otherwise communicating to you. Any changes will be effective immediately upon the posting of the revised Privacy Policy, and we encourage you to check back regularly for any changes, additions or deletions.

7. CONTACT US.
