Additional Billing Increment

Additional Billing Increment is the rate element used to bill for the chargeable time when a call continues beyond the Initial Billing Increment. Additional Billing Increment begins when the Initial Billing Increment ends (e.g., with the second minute of a call for which the Initial Billing Increment is one minute). Additional rates apply to each Additional Billing Increment, or any fraction thereof, that chargeable time continues beyond the Initial Billing Increment. Alternate Access

Alternate Access is a form of Local Access except that the provider of the Service is an entity, other than the Local Exchange Carrier, authorized or permitted to provide such Service. ASR

ASR (Access Service Request) means an order placed with a Local Access Provider for Local Access.

The Company may require a Customer to sign an application form and to establish credit worthiness as a condition precedent to the initial establishment of Service. The application shall state the date on which service shall begin and the points between which service is to be provided, the type of facilities required, and any special arrangements related thereto.
- 2.1.2 Any member of the general public (including any natural person or legally organized entity such as a corporation, partnership, or governmental body) is entitled to obtain Service as set forth herein, provided that the Company reserves the right to deny Service: (A) to any Customer that, in the Company's reasonable opinion, presents an undue risk of nonpayment and refuses to comply with the deposit requirements set forth in this document; (B) in circumstances in which the Company has reason to believe that the use of the Service would violate the provisions set forth herein or any applicable law or if any applicable law restricts or prohibits provision of the Service; or (C) if insufficient facilities are available to provide the Service.

- 2.1.5 Customers may cancel or discontinue Service on not less than thirty (30) days' written notice from the date of postmark on the letter giving notice of cancellation, unless the Customer is subscribing to Service under a Company Term Plan. Customers terminating or discontinuing Service under a Company Term Plan prior to the expiration of the Service Commitment Period shall be responsible for the Termination Charges set forth in Section 2.15.1 of this document.

- 2.3.5 The failure to give notice of default, to enforce or insist upon compliance with any of the terms or conditions herein, the waiver of any term or conditions herein, or the granting of an extension of time for performance by the Company or the Customer shall not constitute the permanent waiver of any term or condition herein. - 2.3.6 The Company shall not be liable to the Customer or any other person, firm or entity in any respect whatsoever as a result of mistakes, accidents, errors, omissions, interruptions, delays, or defects in Service (collectively "Defects"). Defects caused by or contributed to, directly or indirectly, by any act or omission of Customer or its customers, affiliates, agents, representatives, invitees, licensees, successors or assigns or which arise from or are caused by the use of facilities or equipment of Customer or related parties shall not result in the imposition of any liability whatsoever upon the Company, and Customer shall pay to the Company any reasonable costs, expenses, damages, fees or penalties incurred by the Company as a result thereof, including penalties incurred by the Company as a result thereof, including costs of Local Access Providers' labor and materials. In addition, all or a portion of the Service may be provided over facilities of third parties, or sold by third parties, and the Company shall not be liable to Customer or any other person, firm or entity in any respect whatsoever arising out of Defects caused by such third parties. **THE COMPANY SHALL NOT BE LIABLE FOR ANY DIRECT, INDIRECT, CONSEQUENTIAL, SPECIAL, ACTUAL, PUNITIVE OR ANY OTHER DAMAGES, OR BUSINESS INTERRUPTION, FOR ANY LOST PROFITS OF ANY KIND OR NATURE WHATSOEVER ARISING OUT OF ANY DEFECTS OR ANY OTHER CAUSE. 2.8 Assignment

2.8.1 The obligations set forth in this document shall be binding upon and inure to the benefit of the parties hereto and their respective successors or assigns, provided, however, the Customer shall not assign or transfer its rights or obligations without the prior written consent of the Company.

2.10 Method for Calculation of Airline Mileage

2.10.1 The airline mileage between two cities can be calculated using the Vertical (V) and Horizontal (H) coordinates of the serving wire centers associated with the Company's POP locations. The method for calculating the airline mileage is obtained by reference to the NECA F.C.C. Tariff No. 4 according to the following formula:

the square root of:
$$\frac{(V1-V2)^2 + (H1-H2)^2}{10}$$

2. RULES AND REGULATIONS (CONT'D.)

where V1 and H1 correspond to the V&H coordinates of City 1 and V2 and H2 correspond to the V&H coordinates of City 2.

Example:

	<u>V</u>	<u>H</u>
City 1	5004	1406
City 2	5987	3424

the square root of: $\frac{(5004-5987)^2 + (1406-3424)^2}{10}$

The result is 709.83 miles. Any fractional miles are rounded to the next higher whole number; therefore, the airline mileage for this example is 710 miles.

2.11 Time of Day Rate Periods

2.11.1 Time of Day Rate Periods are determined by the time of day at the location of the Calling station.

Any Time of Day Rate Periods shown in Section 4 are defined as follows:

EVENING: From 5:00 PM up to, but not including, 11:00 PM Monday - Friday and Sunday

2.12.1 The Company observes the following federally recognized holidays: New Year's Day, Martin Luther King Day, President's Day, Memorial Day, Independence Day, Labor Day, Columbus Day, Veteran's Day, Thanksgiving Day, and Christmas Day. For those rate plans where Time of Day Rate periods apply, the Company shall charge the evening rate unless a lower rate would normally apply. When a Call begins in one rate period and ends in another, the rate in effect in each rate period applies to the portion of the Call occurring within that rate period. In the event that a minute is split between two rate periods, the rate in effect at the start of that minute applies.

5.5 Comcast Business CCIS Customer "Thank You" Promotion

The Comcast Business CCIS Customer "Thank You" Promotion is available for certain commercial Customers that purchase the Company's switched or dedicated toll services during the promotion period defined herein. This promotion is available to the Company's current CCIS Customers, who are not current CBC long distance subscribers, but who spend at least \$500 per month with their current toll service provider, excluding any nonrecurring charges. This promotion commences November 21, 2001. To be eligible, Customers must subscribe to this promotion and the Company's corresponding intrastate promotion no later than May 21, 2001 under a continuous two-year or three-year term commitment as part of a Company/Customer service agreement. Under the terms of the CCIS Customer "Thank You" Promotion, the Customer will receive a billing credit of \$500. A credit will be rendered to the Customer no later than the second billing period of the new term commitment. If the Customer's toll charges are less than \$500 in the billing period where the initial credit is rendered, the Company may, in its sole reasonable discretion, issue the balance of the credit in subsequent billing periods.

In the event that Service is terminated prior to the end of the applicable term commitment (except as a result of Comcast's uncured material default), Customer shall pay termination charges equal to a percentage of the monthly recurring charges remaining for the unexpired portion of the then-current term commitment, calculated as follows:

- A. 100% of the monthly recurring charges that would have been incurred for the service for months 1-12 of the term commitment; plus
- B. 80% of the monthly recurring charges that would have been incurred for the service for months 13-24 of the term commitment; plus
- C. 65% of the monthly recurring charges that would have been incurred for the service for months 25 through the end of the term commitment.

The amounts set forth above shall be immediately due and payable and shall be in addition to any and all accrued and unpaid charges for the service rendered by Company through the date of termination.

7.9.3 Business Bonanza Better Rate Feature

The Business Bonanza Better Rate Feature is available to Customers who receive Company's Service under the Business Bonanza 1+ and Toll-Free Calling Program, for switched or dedicated access, listed in sections 3.2 and 3.3 of this document. This Feature offers Customers the opportunity to receive the rates found in sections 7.9.1 and 7.9.2 without having to meet the specific Term Option and Monthly Usage Commitments listed. Customer will be assessed an additional five dollar (\$5.00) monthly recurring charge for switched access termination service, and ten dollar (\$10.00) monthly recurring charge for dedicated access termination service, for each lower rate offering Customer advances beyond that for which Customer otherwise qualifies. Thus, by way of example, Customer subscribes to Company's service for a 2 year Term Option with a Monthly Usage of \$850.00. Customer qualifies to receive Service under the rates listed in the Business Bonanza Dedicated Access Calling Program's Option D-11 found in section 7.9.1 of this document. Under the Business Bonanza Better Rate Feature, the Customer instead receives Service under the rates listed in Option D-14 found in section 7.9.2 of this document, with an additional thirty dollars (\$30.00) in monthly recurring charges. Customer, therefore, receives Service under the rates listed in Option D-14 with a monthly recurring charge of thirty-five dollars (\$35.00).
