

LOCAL EXCHANGE SERVICE

SECTION 4.0 - SURCHARGES

4.1 911 Emergency Surcharge

The Company will collect a 9-1-1 surcharge to assist in the provision of emergency services as described in Section 2.14.

4.2 Connecticut Service Fund Surcharge

In addition to the provided above, Local Exchange and Competitive Local Exchange Carriers must collect a monthly surcharge per line or trunk for the Connecticut Service Fund. This fund recovers the Company's costs of the Lifeline and Telecommunications Relay Service Programs (TRS).

The Company will comply with the DPUC's decisions in Docket No. 93-08-07, DPUC Investigation into Developing an Appropriate Funding Mechanism for Lifeline Service for Connecticut LECs (Jan. 26, 1994) and Docket No. 93-08-07, DPUC Investigation into Developing an Appropriate Funding Mechanism for Lifeline Service for Connecticut LECs. (Feb. 1, 1995).
