4.1.6 BUSINESS LONG DISTANCE (WITHDRAWN AS OF OCTOBER 1, 2007)

(N)

A. Description of Service

(M)

The Business Long Distance Calling Plan is provided to customers who subscribe to Business Local Service as specified in Comcast Phone of Georgia, LLC, Exchange Services Tariff No. 1, Section 4.1.2.

(T)

For those customers who select the Business Bundle or the Business Bonus Bundle, the Intrastate rates per minute as set forth in D, following, will apply. Customers must be presubscribed to the Company for both Intrastate and Interstate long distance calling.

Customers who select the Business Basic or Business Reserve offers and presubscribe to the Company for IntraLATA and/or InterLATA long distance will also receive the rates in D, following.

B. Application of Charges

The Business Long Distance Calling Plan is subject to a minimum monthly usage charge, per call usage rates, and for certain call types, service charges on a per access line basis. Dial Station calls are timed utilizing an initial period of 30 seconds and additional periods of one second each, and will be priced to the nearest penny.

C. Minimum Monthly Usage Charge

The Business Bundle and Business Bonus Bundle plans include a minimum monthly long distance usage charge, as described in the Company's Interstate Long Distance Service Guide located on the internet at www.comcast.com/tariffs.

(M)
