5 – EXCHANGE ACCESS SERVICE

5.1 GENERAL

**Comcast Digital Phone service is discontinued effective March 12, 2008. Service for certain business customers will be discontinued effective March 25, 2008.**

(C)  
|  
(C)

Exchange Access Service provides a Customer with a telephonic connection and a unique telephone number address on the public switched telecommunications network. Each Exchange Access Service enables users to:

- A. receive calls from other stations on the public switched telecommunications network;
- B. access other services offered by the Company as set forth in this tariff;
- C. access (at no additional charge) the Company's business office for service related assistance;
- D. access (at no additional charge) emergency services by dialing 0- or 9-1-1; and
- E. access services provided by other common carriers which purchase the Company's Switched Access services as provided under the Company's Federal and/or State tariffs, or which maintain other types of traffic exchange arrangements with the Company.

Each Exchange Access Service is available on a “Full” service basis, whereby service is delivered to a demarcation/connection block at the Customer's premise.

The following Exchange Access Services are offered:

Residential Service [1]

(C)

- Basic Line Service-Residential
- Comcast Connections Any Distance™ Plan
- Service Packages

(T)

Business Service [1]

(C)

- Basic Line Service-Business
- Unfeatured Access Line-Business

**5 – EXCHANGE ACCESS SERVICE**

**5.2 RESIDENTIAL SERVICE**

**5.2.1 BASIC LINE SERVICE-RESIDENTIAL [1] (C)**

A. Description

Basic Line Service-Residential provides a Customer with a single, voice-grade telephonic communications channel that can be used to place or receive one call at a time. Basic Lines are provided for connection of customer-provided single station sets or facsimile machines to the public switched telecommunications network. Each Basic Line is provided with the following standard features which can be deleted at the Customer's option:

1. Call Waiting
2. ID Masking
3. Touch Tone

B. Additional Lines

1. Each additional line must be provisioned the same as for Basic Line Service.
2. Each additional line must be at the same address and billed to the same name as the first line.
3. All additional lines are subject to the availability of facilities.

C. Rates

Non-recurring and monthly recurring rates apply as follows:

<b>PER BASIC LINE [1]</b>		<b>NON-RECURRING</b>
First Line		\$38.00
Additional Line(s), when ordered at the time of First Line installation, each		10.00
Additional Line(s), when ordered subsequent to the initial installation, each		8.00
	<b>TERM</b>	<b>MONTHLY RECURRING</b>
First Line	Month-to-Month	\$14.75
Additional Lines	Month-to-Month	9.99

5.2.3 COMCAST CONNECTIONS ANY DISTANCE™ PLAN [1]

(C,T)

The Comcast Connections Any Distance Plan provides the residential customer with one access line, unlimited local calling, Caller ID, Call Waiting, Call ID with Call Waiting, Call Return, and unlimited direct-dialed domestic usage. Additional access lines and custom calling features (excluding Call Forwarding Remote Access) may be ordered by the Customer on an a la carte basis at an additional charge.

To enroll in the Comcast Connections Any Distance Plan, the customer must subscribe to Comcast as their primary interLATA carrier, primary intraLATA carrier, and local exchange carrier.

(D)  
—  
(D)

The Comcast Connections Any Distance Plan is offered subject to the availability of existing facilities and systems. Service is limited to residential voice applications and the use of service is limited to the customer, members of the customer's household, and occasional guests. Participation may be terminated for customers who utilize service in a manner or for a purpose other than those described herein. Due to the bulk nature of the usage, call detail is not automatically provided on the monthly billing statement. Upon customer request, such detail will be provided under separate cover.
