
9 – SPECIAL ARRANGEMENTS

9.1 SPECIAL CONSTRUCTION

9.1.1 BASIS FOR CHARGES

Where the Company furnishes a facility or service for which a rate or charge is not specified in the Company's tariffs, charges will be based on the costs incurred by the Company and may include: (1) nonrecurring type charges; (2) recurring type charges; (3) termination liabilities; or (4) combinations thereof.

9.1.2 BASIS FOR COST COMPUTATION

The costs referred to in 9.1.1 preceding may include one or more of the following items to the extent they are applicable:

- A. cost installed of the facilities to be provided including estimated costs for the rearrangements of existing facilities. Cost installed includes the cost of:
 - 1. equipment and materials provided or used,
 - 2. engineering, labor and supervision,
 - 3. transportation, and
 - 4. rights of way;
- B. cost of maintenance;
- C. depreciation on the estimated cost installed of any facilities provided, based on the anticipated useful service life of the facilities with an appropriate allowance for the estimated net salvage;
- D. administration, taxes and uncollectible revenue on the basis of reasonable average costs for these items;
- E. license preparation, processing and related fees;
- F. tariff preparation, processing and related fees;
- G. any other identifiable costs related to the facilities provided; or
- H. an amount for return and contingencies.

9 – SPECIAL ARRANGEMENTS

9.1 SPECIAL CONSTRUCTION (CONT'D)

9.1.3 TERMINATION LIABILITY

To the extent that there is no other requirement for use by the Company, a termination liability may apply for facilities specially constructed at the request of the Customer.

- A. The termination liability period shall be specified in writing between the Company and the Customer in the case of specially-constructed facilities.
- B. The amount of the maximum termination liability is equal to the estimated amounts for:
 - 1. Cost installed of the facilities provided including estimated costs for rearrangements of existing facilities and/or construction of new facilities as appropriate, less net salvage. Cost installed includes the cost of:
 - (a) equipment and materials provided or used,
 - (b) engineering, labor and supervision,
 - (c) transportation, and
 - (d) rights of way;
 - 2. license preparation, processing, and related fees;
 - 3. tariff preparation, processing, and related fees;
 - 4. cost of removal and restoration, where appropriate; and
 - 5. any other identifiable costs related to the specially constructed or rearranged facilities.

9 – SPECIAL ARRANGEMENTS

9.2 SPECIAL ASSEMBLY ARRANGEMENTS

Arrangements will be developed on a case-by-case basis in response to a bona fide request from a Customer or prospective Customer to develop a competitive bid for a service that the Company is technically capable of providing but which is not generally offered under this tariff (special assembly). Special assembly rates will be offered to the Customer in writing and on a nondiscriminatory basis. An ICB must be provided under contract to a customer and the contract filed (can be under seal) with the Commission.

9.3 TRIAL SERVICES

The Company may offer new services, not otherwise tariffed, from time to time on a trial basis, up to six (6) months in duration, subject to Commission approval.

9.4 TEMPORARY PROMOTIONAL PROGRAMS

The Company may establish temporary promotional programs, up to six (6) months in duration, subject to Commission approval. Such promotions may waive or reduce non-recurring or recurring charges to introduce present or potential Customers to a service not previously received by the Customers.
