4. LOCAL EXCHANGE SERVICE

4.1. BUSINESS SERVICE

4.1.1. DESCRIPTION OF SERVICE

Business Local Service provides the customer with access lines and usage within a Local Calling Area for the transmission of two-way interactive switched voice or data communications. Local Calling Areas are described in Comcast Phone of Ohio, LLC Tariff No. 1, Section 3. Business Local Service is a Tier 2 service which requires the customer to subscribe to a minimum of four lines.

The Company's services are furnished subject to the availability of facilities within the Local Serving Area and are subject to the terms and conditions of this Service Guide.

Business Local Service provides the customer with access lines, touch-tone service, 900/976 call blocking, and unlimited calling within the customer's Local Calling Area. Business Local Service is offered as a stand-alone local offer or in conjunction with an associated long distance service provided by the Company.

Business Local Service may be subject to monthly recurring charges, usage rates, and for certain call types, service charges on a per call basis.
