5.2.6 Oregon Telephone Assistance Program [1]

(C)

A. General

This service was grandfathered to Customers who subscribed prior to July 1, 2003, and is discontinued effective November 13, 2007. Customers who had subscribed to the Oregon Telephone Assistance Program (OTAP) and change or disconnect service, or are found to be ineligible for this service, on or after July 1, 2003, may not re-subscribe at a later date.

(T)
(C)

B. Eligibility

The Oregon Telephone Assistance Program (OTAP), also known as Lifeline Service, provides reduced monthly rates for low income residential Customers who meet eligibility requirements established by the Public Utility Commission. The Customer will subscribe to Residence Local Service as described in Section 1., preceding, and the OTAP credit will apply to the single line that services the Customer's principal residence. The OTAP credit will remain available to Customers who subscribed prior to July 1, 2003, until such time the Customer becomes ineligible under requirements established by the Public Utility Commission or disconnects service.

Customers meeting eligibility requirements for OTAP may request Toll Restriction Service at no additional charge.

C. Funding

In compliance with State of Oregon regulations, a monthly surcharge rate is assessed on each residence line to fund the OTAP.

5.3 DIRECTORY SERVICES

5.3.1 Directory Listings

The Company does not publish a directory of Customer listings. The Company, however, does arrange for the Customer's main billing number to be placed in the directory or directories of another local exchange carrier. The rates and regulations specified herein for directory listings apply only to the alphabetical section of the directory. Listings are intended solely for the purpose of identifying Customer's telephone number and as an aid to the use of telephone service.

A. Regulations

1. The listings of Customers, either without charge or at the rate specified within this service guide for other listings are arranged alphabetically and are not intended for special prominence of arrangement. In accepting listings as requested by Customers or prospective Customers, the Company will not be a party to controversies between Customers as a result of the publication of such listings in the directories.
2. The length of any listing may be limited to one line in the directory by use of abbreviations when the clearness of the listing and the identification of the Customer is not impaired.
3. The Company is not liable for damages arising from errors or omissions in the making up or printing directories or in accepting listings as presented by the Customer.
4. The Customer will receive one free standard listing in the alphabetical section of the directory that serves the Customer's location. A monthly charge will apply to additional listings while the directory containing such listing is in effect.
5. The Customer may request a Foreign Listing, which is a listing entered in the alphabetical list of a directory other than that in which the Customer is regularly listed.
6. A nonrecurring charge will apply for any Customer-requested change in listing, as specified in Section 4.3.1.

5.3.2 Non-Published Numbers

A. General

Non-Published telephone numbers are listed in neither the directories nor Directory Assistance records available to the general public.

B. Regulations

Incoming calls will be completed by the Company only when the calling party places the call by number. The Company will adhere to this practice notwithstanding any claim of emergency the calling party may present. The acceptance by the Company of the Customer's request to refrain from publishing his/her telephone number in the directory does not create any relationship or obligation, direct or indirect, to any person other than the Customer.

The Company's liability, if any, for its gross negligence or willful misconduct, or the right, if any, of the Customer to seek any legal remedies available for the same, is not limited by this service guide. In the absence of gross negligence or willful misconduct with respect to any claim or suit brought by, or other legal remedies available to, the Customer for damages associated with publishing the non-published telephone number in the directory or disclosing said number to any person, the Company's liability, if any, shall not exceed the monthly charges which the Customer may have made for that non-published number for the affected period.

Except as provided above, the Customer holds the Company harmless for any and all claims for damages caused or claimed to have been caused, directly or indirectly, by the publication/non-publication of the Non-Published Number or the disclosing/non-disclosing of said number to any person.

B. Regulations

The acceptance by the Company of the Customer's request to refrain from publishing his/her telephone number in the directory does not create any relationship or obligation, direct or indirect, to any other person than the Customer.

The Company's liability, if any, for its gross negligence or willful misconduct or the right of the Customer to seek any legal remedy available for the same is not limited by this service guide. In the absence of gross negligence or willful misconduct with respect to any claim or suit brought by, or other legal remedies available to, the Customer for damages associated with publishing the telephone number of a non-listed number in the directory, the Company's liability, if any, shall not exceed the monthly charges which the Customer may have made for that non-listed number for the affected period.

Except as provided above, the Customer holds the Company harmless for any and all claims for damages caused or claims to have been caused, directly or indirectly, by the publication of the non-listed number.

5.5 PREMIUM SERVICES

5.5.1 Custom Calling Features

Custom Calling Features are available with Comcast Phone Local Service. Customers may order features individually or as part of a Feature Package, as shown below. Monthly Recurring Charges associated with features are applied on a per access line basis, and are in addition to any other applicable charges. Usage charges also apply to some features.

5.5.2 Custom Calling Features Available Individually

The Customer may order any one or more of the following optional features:

A. Anonymous Call Rejection

This feature allows the Customer to reject calls from callers who have blocked identification of their telephone number to Caller ID display devices.

B. Call Forwarding Remote Access

Allows a Customer to activate or deactivate Call Forwarding from a line other than their base station line. The Customer uses a Personal Identification Number (PIN) to access Call Forwarding with Remote Access.

C. Call Forwarding Selective

This feature enables a Customer to program their telephone to forward calls from a selected list of up to 12 telephone numbers to another telephone number. The Customer assumes financial responsibility for all calling charges generated by the use of this feature.

D. Call Forwarding Variable

This feature enables a Customer to program their telephone to forward all incoming calls to another telephone number. The Customer assumes financial responsibility for all calling charges generated by the use of this feature.

E. Call Return

This feature allows a Customer to recall the last incoming call by dialing a preset code. If the called number is busy, automatic processing of the call continues for up to 30 minutes until both lines are idle unless the Customer dials the deactivation code. Calls returned outside the local calling area are subject to toll charges. This feature is available on a pay-per-use basis up to a monthly maximum charge as well as unlimited usage for a monthly recurring charge. Customers who choose the pay-per-use option are billed per activation, regardless of whether or not the attempted call is completed.

F. Call Return Blocking

This feature blocks the Customer's capability to use the Call Return pay-per-use feature.

G. Call Screening

This feature provides the Customer with the ability to prevent calls from an unwanted caller.

H. Call Trace

Call Trace allows the Customer to initiate an automatic trace of the last call received. After receiving a call that is to be traced, the Customer dials a code and the traced number is automatically sent to the Company. The Customer will not receive the telephone number of the party who called. The Company will hold the traced telephone number for release to the appropriate law enforcement personnel.

I. Call Waiting

The Call Waiting feature enables a Customer already on a call to be notified of another call by the sound of a Call Waiting tone. The Customer may place the existing call on hold and answer the new call. The Call Waiting feature may be canceled by dialing a preset code.

J. Caller ID

Caller ID offers both the incoming calling number and name. The Customer must have a special Caller ID unit that accommodates this feature.

K. Caller ID Blocking Per Line

This feature blocks the display of the Customer's name and telephone number to Caller ID customers on all calls made from the subscribed line.

L. Caller ID Blocking Per Call

This feature allows the Customer to block the display of their name and number to the person they are calling on a per-call basis.

M. Custom Ring

This feature enables the Customer to have as many as two telephone numbers associated with a single line. Each number when dialed will result in a distinctive ring that enables the Customer to determine which number is being called.

N. Distinctive Ring Service

Provides the Customer with the ability to build and maintain a list of up to 12 telephone numbers in order to differentiate their calls from all other callers.

O. LD Alert

This feature allows the current Call Waiting and ringing operations to provide a distinctive call waiting tone or ring to incoming Long Distance calls. LD Alert is available at no additional charge to Customers who also subscribe to Call Waiting; Customers who subsequently disconnect Call Waiting and retain the LD Alert feature are subject to the monthly recurring charge.

P. Prohibit Billed to Third Number Calls

Allows the Customer to prevent all Billed to Third Number calls from being billed to their telephone number, provided the transmitting operator checks the validation database.

Q. Prohibit Collect Calls

Allows the Customer to prevent all Collect calls from being billed to their telephone number, provided the transmitting operator checks the validation database.

R. Prohibit Billed to Third and Collect Calls

This feature combines the Prohibit Billed to Third Number Calls and Prohibit Collect Calls functionality.

S. Repeat Dialing

Allows the Customer to have calls automatically redialed for up to 30 minutes when the first attempt reaches a busy number. This feature is available on a per-use basis up to a monthly maximum charge as well as unlimited usage for a monthly recurring charge.
