LOCAL SERVICE

5.1 GENERAL

Local Service provides the Customer with an access line and usage within a Local Calling Area for the transmission of two-way interactive switched voice or data communications. Local Calling Areas are described in Section 3.4.

The Company's services are furnished subject to the availability of facilities within the Local Serving Area and are subject to the terms and conditions of this Price List. All Local Service offerings are suspended from sale to new Customers effective November 1, 2006. All Local Service offerings are grandfathered to existing service arrangements at existing locations for Customers of record as of January 1, 2007, unless a prior date is indicated. All Local Service offerings are discontinued effective October 1, 2007.

(C)
(C)

Service is offered as a stand-alone local offer or in conjunction with an associated long distance service provided by the Company. Terms, conditions, and rates for interstate and international services are available in the Company's Service Guides located at <http://www.comcast.com/tariffs>.

Service is subject to monthly recurring charges, per minute usage rates, and, for certain call types, service charges, on a per access line basis.

LOCAL SERVICE

5.2 RESIDENCE LOCAL SERVICE

5.2.1 GENERAL

Service is classified as residence service and residence rates apply when the service is furnished at a location used primarily for domestic purposes, typically containing cooking and sleeping facilities. The directory listing for such service is limited to a residential listing. All Local Service offerings are discontinued effective October 1, 2007. (C)
(C)

5.2.2 SERVICE DESCRIPTIONS

Digital Phone Service is offered as a stand-alone offer or in conjunction with an associated long distance service provided by the Company.

A. Local Only Offer – Grandfathered 1/1/07 [1,2,3] (C)

1. The Local Only Offer is provided as a stand-alone local offer not associated with a long distance service. Long distance service as set forth in 9.2.2.A, following, is available for use in conjunction with Local Only service. The Local Only Offer is subject to monthly recurring charges on a per access line basis.
2. The Local Only Offer also includes the Basic Local Only Offer that was grandfathered to existing Customers effective July 5, 2001. The Basic Local Only Offer provided eligible Customers with a local access line, touch-tone service and unlimited calls within the Customer's local calling area. At such time any change is made to the account or service, the Customer will revert to one of the then available local service offers.
3. Customers subscribing to plans requiring Company subscription for Intrastate and Interstate long distance who subsequently select an alternate Intrastate or Interstate Carrier become Local Only customers and are subject to applicable monthly charges for custom calling features set forth in 5.5.2, following, and toll usage rates set forth in 9.2.2.A, following.

[1] Suspended from sale to new Customers effective November 1, 2006.

[2] Grandfathered to existing service arrangements at existing locations for Customers of record as of the date indicated.

[3] All Local Service offerings are discontinued effective October 1, 2007. (C)

D. Integrated Offering

The Integrated Offering is provided in conjunction with an associated long distance service provided by the Company. Customers who order the Integrated Offering must be presubscribed to the Company for both Intrastate and Interstate long distance.

The Integrated Offering is subject to monthly recurring charges and/or per minute usage, on a per access line basis. Each of the following offers provides customers with the option of one to four access lines. The customer may add one additional line per offer, up to a total of four lines per single-family account. For each local access line a customer may subscribe to one of the following options.

1. Block of Time Offers [1,2]

(C)

The following Block of Time plans provide the customer with unlimited calls within their Local Calling Area and a specified amount of long distance calling for a flat monthly fee. The following types of calls do not apply towards minutes included in any of the block-of-time plans listed below: Operator Assisted calls, Calling Card calls, Information Service Provider calls (i.e., 976, 900), international calls, or calls to toll free dialing numbers. Block of Time usage is measured per month, based on all applicable usage on all lines associated with the account. Unused portions of the monthly allowance will not be credited to a subscriber's account, carried over to another month, or transferred to another account.

5.2.8 LINK UP AMERICA

A. General

Link Up America is a Federal Communications Commission (F.C.C.) program that provides a 50% discount (up to \$30.00) that is applied to the access line nonrecurring charge to connect service. This program is designed to assist low-income residential Customers with reduced service connection charges. The discount applies on a single line at the principal place of residence for the applicant.

B. Eligibility

1. Utah residents who qualify for the Low-Income Telephone Assistance Program (LITAP) may also qualify for the F.C.C. Link Up America program. A 50% discount (up to \$30.00) will be applied on access line nonrecurring charges to connect service at a new address. This discount applies on a single line at the principal place of residence for the applicant.
2. The Customer can receive the benefit of the Link Up America program for a second or subsequent time only for a principal place of residence with an address different from the residence address at which Link Up America assistance was previously provided.
3. An Applicant may defer payment of the service connection charges. Payment may be deferred up to 12 months with a payment schedule of equal payments for up to \$200.00 assessed for commencing service. Interest will not be charged on deferred payments.

5.3 DIRECTORY SERVICES

5.3.1 DIRECTORY LISTINGS

The Company does not publish a directory of Customer listings. The Company, however, does arrange for the Customer's main billing number to be placed in the directory or directories of another local exchange carrier. The rates and regulations specified herein for directory listings apply only to the alphabetical section of the directory. Listings are intended solely for the purpose of identifying Customer's telephone number and as an aid to the use of telephone service.

A. Regulations

1. The listings of Customers, either without charge or at the rate specified within this Price List for other listings are arranged alphabetically and are not intended for special prominence of arrangement. In accepting listings as requested by Customers or prospective Customers, the Company will not be a party to controversies between Customers as a result of the publication of such listings in the directories.
2. The length of any listing may be limited to one line in the directory by use of abbreviations when the clearness of the listing and the identification of the Customer is not impaired.
3. The Company is not liable for damages arising from errors or omissions in the making up or printing directories or in accepting listings as presented by the Customer.
4. The Customer will receive one free standard listing in the alphabetical section of the directory that serves the Customer's location. A monthly charge will apply to additional listings while the directory containing such listing is in effect.
5. The Customer may request a Foreign Listing, which is a listing entered in the alphabetical list of a directory other than that in which the Customer is regularly listed.
6. A nonrecurring charge will apply for any Customer-requested change in listing, as specified in Section 4.3.1.

5.3.2 NON-PUBLISHED NUMBERS

A. General

Non-Published telephone numbers are listed in neither the directories nor Directory Assistance records available to the general public.

B. Regulations

Incoming calls will be completed by the Company only when the calling party places the call by number. The Company will adhere to this practice notwithstanding any claim of emergency the calling party may present. The acceptance by the Company of the Customer's request to refrain from publishing his/her telephone number in the directory does not create any relationship or obligation, direct or indirect, to any person other than the Customer.

The Company's liability, if any, for its gross negligence or willful misconduct, or the right, if any, of the Customer to seek any legal remedies available for the same, is not limited by this Price List. In the absence of gross negligence or willful misconduct with respect to any claim or suit brought by, or other legal remedies available to, the Customer for damages associated with publishing the non-published telephone number in the directory or disclosing said number to any person, the Company's liability, if any, shall not exceed the monthly charges which the Customer may have made for that non-published number for the affected period.

Except as provided above, the Customer holds the Company harmless for any and all claims for damages caused or claimed to have been caused, directly or indirectly, by the publication/non-publication of the Non-Published Number or the disclosing/non-disclosing of said number to any person.

5.5.1 CUSTOM CALLING FEATURES

Custom Calling Features are available with Comcast Phone Local Service. Customers may order features individually or as part of a Feature Package, as shown below. Monthly Recurring Charges associated with features are applied on a per access line basis, and are in addition to any other applicable charges. Usage charges also apply to some features.

5.5.2 CUSTOM CALLING FEATURES AVAILABLE INDIVIDUALLY

The Customer may order any one or more of the following optional features:

A. Anonymous Call Rejection

This feature allows the Customer to reject calls from callers who have blocked identification of their telephone number to Caller ID display devices.

B. Call Forwarding Remote Access

Allows a Customer to activate or deactivate Call Forwarding from a line other than their base station line. The Customer uses a Personal Identification Number (PIN) to access Call Forwarding with Remote Access.

C. Call Forwarding Selective

This feature enables a Customer to program their telephone to forward calls from a selected list of up to 12 telephone numbers to another telephone number. The Customer assumes financial responsibility for all calling charges generated by the use of this feature.

D. Call Forwarding Variable

This feature enables a Customer to program their telephone to forward all incoming calls to another telephone number. The Customer assumes financial responsibility for all calling charges generated by the use of this feature.

5.5.2 CUSTOM CALLING FEATURES AVAILABLE INDIVIDUALLY (CONT'D)

E. Call Return

This feature allows a Customer to recall the last incoming call by dialing a preset code. If the called number is busy, automatic processing of the call continues for up to 30 minutes until both lines are idle unless the Customer dials the deactivation code. Calls returned outside the local calling area are subject to toll charges. This feature is available on a pay-per-use basis up to a monthly maximum charge as well as unlimited usage for a monthly recurring charge. Customers who choose the pay-per-use option are billed per activation, regardless of whether or not the attempted call is completed.

F. Call Return Blocking

This feature blocks the Customer's capability to use the Call Return pay-per-use feature.

G. Call Screening

This feature provides the Customer with the ability to prevent calls from an unwanted caller.

H. Call Trace

Call Trace allows the Customer to initiate an automatic trace of the last call received. After receiving a call that is to be traced, the Customer dials a code and the traced number is automatically sent to the Company. The Customer will not receive the telephone number of the party who called. The Company will hold the traced telephone number for release to the appropriate law enforcement personnel.

5.5.2 CUSTOM CALLING FEATURES AVAILABLE INDIVIDUALLY (CONT'D)

I. Call Waiting

The Call Waiting feature enables a Customer already on a call to be notified of another call by the sound of a Call Waiting tone. The Customer may place the existing call on hold and answer the new call. The Call Waiting feature may be canceled by dialing a preset code.

J. Caller ID

Caller ID offers both the incoming calling number and name. The Customer must have a special Caller ID unit that accommodates this feature.

K. Caller ID Blocking Per Line

This feature blocks the display of the Customer's name and telephone number to Caller ID customers on all calls made from the subscribed line.

L. Caller ID Blocking Per Call

This feature allows the Customer to block the display of their name and number to the person they are calling on a per-call basis.

M. Custom Ring

This feature enables the Customer to have as many as two telephone numbers associated with a single line. Each number when dialed will result in a distinctive ring that enables the Customer to determine which number is being called.

N. Distinctive Ring Service

Provides the Customer with the ability to build and maintain a list of up to 12 telephone numbers in order to differentiate their calls from all other callers.

O. LD Alert

This feature allows the current Call Waiting and ringing operations to provide a distinctive call waiting tone or ring to incoming Long Distance calls. LD Alert is available at no additional charge to Customers who also subscribe to Call Waiting; Customers who subsequently disconnect Call Waiting and retain the LD Alert feature are subject to the monthly recurring charge.

P. Prohibit Billed to Third Number Calls

Allows the Customer to prevent all Billed to Third Number calls from being billed to their telephone number, provided the transmitting operator checks the validation database.

Q. Prohibit Collect Calls

Allows the Customer to prevent all Collect calls from being billed to their telephone number, provided the transmitting operator checks the validation database.

R. Prohibit Billed to Third and Collect Calls

This feature combines the Prohibit Billed to Third Number Calls and Prohibit Collect Calls functionality.

S. Repeat Dialing

Allows the Customer to have calls automatically redialed for up to 30 minutes when the first attempt reaches a busy number. This feature is available on a per-use basis up to a monthly maximum charge as well as unlimited usage for a monthly recurring charge.
