10.1.1 COMCAST CONNECTIONS ANY DISTANCE™ PLAN

A. Description

The Comcast Connections Any Distance plan provides the residential Customer with one access line, unlimited local calling, Caller ID, Call Waiting, Calling Line Identification, Call Return, and unlimited usage that the Customer may use for local toll and intrastate/interstate direct-dialed calling*. Additional access lines and custom calling features (excluding Call Forwarding Remote Access) may be ordered by the Customer on an a la carte basis at an additional charge. (T)
(T,C)

To enroll in the Comcast Connections Any Distance plan, the Customer must subscribe to Comcast as their primary interLATA carrier, primary intraLATA carrier, and local exchange carrier.

The Comcast Connections Any Distance plan is offered subject to the availability of existing facilities and systems. Service is limited to use by the Customer, members of the Customer's household, and occasional guests. The Company may monitor the Customer's usage to ensure that such usage is consistent with the applicable restrictions and limitations on residential versus business service. Participation may be terminated for Customers who utilize service in a manner or for a purpose other than those described herein. Due to the bulk nature of the usage, call detail is not automatically provided on the monthly billing statement. Upon Customer request, such detail will be provided under separate cover. (C)
(C)

Unused minutes are not transferable and may not be accumulated from one month to another. Such unused minutes in any month revert to the Company, and in no event shall Comcast be obligated to provide any credit or monetary sum to the Customer. (D)
