

TV at comcast.net, On Demand and Fancast.

Great entertainment on your TV and PC.

You already know that On Demand lets you watch thousands of movies and TV shows whenever you want, most of them at no additional charge. Now with comcast.net's new TV section and Fancast, it is even easier to discover and watch your favorites whenever you want, however you want.

The TV section at comcast.net will help you explore the world of information and entertainment choices on TV, On Demand and in HD. You can plan your TV viewing from any Internet-connected computer at comcast.net/tv, where you'll find searchable, interactive TV listings.

- Discover what's on TV now, later or On Demand.
- Get up-to-the-minute news and tips on what to watch.
- Search by time or title.
- Set your favorite channels.

Go to comcast.net and search: TV.

Fancast has a growing library of free TV shows, movies, and clips from movie partners and top networks, including ABC, NBC, CBS, FOX, Comedy Central, MTV Networks, and The WB. So you can catch up on the hot new shows you've been hearing about or discover new favorites. Fancast is the first online destination that lets you watch, manage or find entertainment wherever it's available — on Fancast, On Demand, on television, online, on DVD or in theaters.

Go to fancast.com.

Converter and remote required for On Demand services. On Demand selections subject to charge indicated at time of purchase. Program availability subject to service level.
