All prices are for residential accounts only and do not include applicable regulatory, FCC user, franchise fees or federal, state and local fees. The minimum level of cable service you may purchase is Limited Basic. You must purchase Limited Basic to subscribe to any other video service offered by Comcast. Some services require additional equipment such as a CableCard, digital receiver, remote, cable modem or eMTA at an additional charge. Service, programming and equipments are subject to availability. All pricing, programming and channel locations are subject to change. Installation prices for Comcast services are for standard installation only. Custom installation charges are additional. Comcast services are subject to Comcast's standard terms and conditions to service. Call Comcast at 1-888-COMCAST for details, restrictions and minimum requirements. *The Technician Visit service charge will be added to any installation activity that requires a home visit. Only one \$19.95 fee charged per visit.
