** Indicates source(s) identified by interviewee(s) that Comcast either did not use to recruit for the position(s) or cannot precisely associate with a source that was used. For instance, an interviewee may be referred by a source that pulled Comcast's job vacancy information from Comcast.com or other sources that Comcast did affirmatively use to recruit for its full-time positions, and published the information independently. Alternatively, an interviewee may state that he or she found out about the job on the "internet" or other form of media generally without being able to identify the precise name of the source.*
