

Comcast Corporation

Overview

Comcast Corporation (Nasdaq: CMCSA, CMCSK) (www.comcast.com) is one of the world's leading media, entertainment and communications companies. Comcast is principally involved in the operation of cable systems through Comcast Cable and in the development, production and distribution of entertainment, news, sports and other content for global audiences through NBCUniversal. Comcast Cable is one of the nation's largest video, high-speed Internet and phone providers to residential and business customers. Comcast is the majority owner and manager of NBCUniversal, which owns and operates entertainment and news cable networks, the NBC and Telemundo broadcast networks, local television station groups, television production operations, a major motion picture company and theme parks.

Comcast Cable Products & Services

Xfinity® TV: Xfinity TV service offers the best new content and tens of thousands of entertainment options On Demand and online, along with new apps that enable customers to watch, search, discover and share top TV shows and movies whenever and wherever they want.

Xfinity® Internet: Comcast is the nation's largest Internet service provider that offers some of the fastest speeds of up to 105 Mbps, as well as a reliable and safe online experience.

Xfinity® Voice: Comcast delivers innovative and reliable IP-enabled home phone service that includes all of the functions of traditional phone service, plus enhanced features that are integrated with other Comcast services.

Xfinity® Internet 2go: Xfinity Internet 2go is Comcast's mobile Internet solution that provides super-fast (4G/3G) wireless Internet service.

Comcast Business Class: Backed by industry-leading, 24/7 business-class support, Comcast provides advanced communication solutions to small and mid-sized organizations to help them meet their business objectives.

Comcast Interactive Media: Comcast Interactive Media (CIM), a business unit of Comcast Cable, focuses on creating and operating online and mobile properties, such as xfinityTV.com and comcast.net, that make the world more entertaining for Comcast customers, and makes it easier for them to find, manage and consume video content.

Comcast Spotlight: The advertising sales division of Comcast Cable, helps put the power of cable to use for local, regional and national advertisers through advanced technologies and innovative products that reach audiences in the most effective and efficient ways.

NBCUniversal

NBCUniversal is one of the world's leading media and entertainment companies in the development, production, and marketing of entertainment, news, and information to a global audience. NBCUniversal owns and operates a valuable portfolio of news and entertainment television networks, a premier motion picture company, significant television production operations, a leading television stations group, and world-renowned theme parks. Comcast Corporation owns a controlling 51% interest in NBCUniversal, with GE holding a 49% stake.

Other

Comcast-Spectacor: which owns two professional sports teams, the Philadelphia 76ers NBA basketball team and the Philadelphia Flyers NHL hockey team, and a large, multipurpose arena in Philadelphia, the Wells Fargo Center, and, through Global Spectrum, manages other facilities for sporting events, concerts and other events.
