

A. Description

This service is Grandfathered to existing customers effective August 6, 2015. (C)

Carefree Minutes® Worldwide 300 service allows the completion of 300 minutes of customer-originated calls to landline phones in 100 countries for a fixed monthly rate.

B. Terms and Conditions

“You” and “Your” mean current or potential customers, visitors, guests and any other authorized user (or users who may be reasonably assumed to be authorized) of the customer’s Xfinity Voice Service.

“Company” means Comcast and any subsidiaries or affiliates providing service under this Service Guide.

1. To utilize this service, you must:
 - Subscribe to residential Comcast Xfinity Voice Service, and
 - Currently have, or choose the Company as your Primary Long Distance Carrier.
2. This service includes the following types of calls:
 - Direct dialed calls that are:
 - made from your home,
 - billed to your main telephone account, and made without using an operator or an automated call processing system, and

3. The Company will provide this service until one or more of the following events occur:

4. The Company will bill for this service based on the following:

The duration of each call is recorded in whole minutes, with partial minutes rounded up to the next whole minute (for example, a 45-second call will be billed as a one-minute call).

B. Terms and Conditions (Cont'd)

- Call begins when the call is answered by the called party or an automated answering device (such as an answering machine or fax machine); it ends when one of the parties disconnects the call. Some providers charge for a completed call when the called party's line rings or after a certain number of rings. If such a provider charges Comcast, its affiliates, or suppliers on that basis, Comcast will charge for a completed call.
- Subscription is limited to one Carefree Minutes® Worldwide 300 per account. This plan can be used in combination with other Carefree Minute plans. Minutes included in the plan are available to any line on the account. Unused minutes revert to the Company.
- Availability: Carefree Minutes® Worldwide 300 subscription availability is limited to locations where billing and technical resources are available. Service may not be offered in all areas.
